Our family flag

Everyone has an interest or a gift or talent. What are the interests, gifts and talents of the people in your family? Make a flag so that there is something special on it to show a bit about all the people in the family. Younger children could just draw a picture of their own interests.

A large, empty rectangular box with a thin black border, intended for drawing a family flag. The box is centered on the page and occupies most of the lower half of the worksheet.
