- ◆ Comic Relief – Fri 15th Mar
- ◆ Disco – Fri 22nd Mar
- ◆ Rocksteady Concert – Tues 2nd April (pm)
- ◆ Easter Show – Thurs 4th April

Guitar Lessons

Steve is our resident guitar teacher and offers lessons on a Thursday morning. If you are interested in your child trying guitar, Steve can do one to one lessons of 15, 20 or 30 minutes in length. Ask at the office for more information.

Around School this week...

Reception and Year 1 had an introduction to tennis session this week on Wednesday. Steve Ashton came in from Exwick Tennis Club to work with the children. As you can see from the pictures, the children had a great time.

Reception also visited AgeUK on Cowick Street for the first time. We have set up a link with the organisation and some Reception children will be going down each week to build positive relationships with a group at the centre. As a school, we are very excited about the positive impact this will have on the younger children.

Comic Relief “Danceathon”

Comic Relief is on Friday 15th March. We will be having a “danceathon” in school. Children should come to school in their best disco clothes and dancing shoes. Further details will follow nearer the time.

World Book Day

Children in Years 2-6 are encouraged to bring in a bag containing three objects, items, pictures or drawings that are clues to a favourite book or character. They will have an opportunity during the day to share the clues with the rest of their class. The other children will use the two learning skills to decipher the clues. Later in the day, the whole school will meet and nominated children from each class will share their clues with the rest of the school.

Children in Year 1 and Reception are invited to come in wearing pyjamas or a onesie (trainers or shoes rather than slippers please). They will be having regular bedtime story sessions with staff during the day to encourage their love of a good storybook.

Children in Years 2-6 should come to school in school uniform.

This week's thunk....

This week we are going to have a thunk. It would be great to get some responses from you on ClassDojo. Some of these will be shared on our website.

What is the most important goal every person should have in life?

Please have a discussion with your child. If your child wishes to write a response or send a message on ClassDojo it will help to start a conversation in class.
