- ♦ Rocksteady Concert – Tues 2nd April (pm)
- ♦ Easter Show – Thurs 4th April

Coats

During this period of cold and wet weather, please make sure children come to school with a suitable coat.

We like to get outside at every playtime and will do so unless it is raining heavily.

Second-hand Uniform

Lisa Jones, our Parent Support Adviser, is putting together a rack of second-hand school uniform which will be kept in the school entrance. The uniform will be available for parents to buy and each item is marked with a price. All money received will be used to support the school.

Lisa would appreciate any donations of uniform that are in good condition but don't fit your child anymore. Dresses, jumpers and trousers only.

Donations should be given to Mrs Bessant in the school office.

See the reverse for 2019-20 School Term dates

Timid to Tiger

The school are offering a 10 week workshop to support parents whose children suffer with anxiety.

There is an information session at 2pm on Wednesday 13th February where you can find out a bit more. Come along for tea and a chat.

Data Protection

The school collects many different types of data every year. This is done to ensure that we can run as efficiently and effectively as possible.

We have a privacy notice for parents which informs you how we use the information we collect. The privacy notice can be found on our website at the bottom of the 'Parents' tab.

This week's challenge....

Answers to this week's challenge can be sent through on Class Dojo or emailed through to admin@st-thomas.devon.sch.uk

A selection of solutions will be shared next week.

In your cellar there are three light switches in the OFF position. Each switch controls 1 of 3 light bulbs on the floor above.

You may move any of the switches but you may only go upstairs to inspect the bulbs one time. How can you find the switch for each bulb with one inspection??
