“5 Strawberries!!”

Our Harvest service went brilliantly this week and it was great to see so many parents and family members at the event. The children were fantastic! As part of this, we are collecting for Exeter Food Bank. If you would like to donate, please bring in non-perishable foods and leave them at reception.

Parent's Meetings

Please don't forget it is parent's meetings next week. There are still appointments available with all teachers. We notice many benefits when parents come to the meetings.

- It helps build the relationship between family and school to the benefit of your child.
- Your child gets to hear their teacher tell you about all the positive things they are doing in school.
- You find out what your child is doing well and what they are working towards.
- Children get time to share their learning with their adult.

Remembrance

St Thomas parish church is very pleased that it has won a grant for 10 of the silhouette figures representing those who did not come back from the First World War. They are going to display these in the church around the weeks before and after this year's Remembrance Day as the 100th anniversary of the ending of WWI. These figures have been developed under the direction of the organisation 'There But Not There' as part of the Armed Forces Covenant.

They are also holding a tea party in the Parish Hall on 10th Nov at 3pm to which all are invited. The Church will be open for viewing the silhouette figures sitting in the pews. The main Remembrance Day Service on 11th Nov begins outside in the churchyard at 10.45 where this anniversary will be marked with friends from St Thomas Methodist Church.

Bikes, Scooters and Pets

A quick reminder about bikes, scooters and pets. Please don't ride bikes and scooters on the playground after school. Dogs mustn't be brought onto the school site unless they are a disability dog. Many thanks for your cooperation with this.
