Dates

- ◆ Comic Relief – Fri 15th Mar
- ◆ Disco – Fri 22nd Mar
- ◆ Parent Meetings – w/b 25th March
- ◆ Rocksteady Concert – Tues 2nd April (pm)
- ◆ Easter Show – Thurs 4th April

Disco Tickets

Friday 22nd March is the evening of the disco. The KS1 and Reception disco is 5:30-6:30pm. KS2 is 6:45-8pm. Tickets are £2.50. They can be purchased after school next week in the playground or on the night at the door.

Comic Relief Danceathon

Well done to all our dancers across the school today. We managed to keep dancing from 9:00-2:45 and raised an impressive £250

Thanks for all your support and donations. The children all looked brilliant in their dancing clothes too.

Parent Meetings with Teachers

Parent meetings with teachers will be held on the week beginning Monday 25th March. Each class will have a slightly different timetable and the late appointments will be on the Wednesday. Sign-up sheets will go up around the school from Monday next week.

Please ensure you make an appointment. It will be an opportunity to see your child's learning at school as well as talking with their teacher about how they are getting on. We find that children's progress almost always accelerates after parent's meeting weeks because the children respond to the positive feedback they are given from parents and their teacher.

Safer Internet Workshops for Parents

We will be holding two Safer Internet Workshops for parents next Friday 22nd March at the same time as the disco. Workshops will be in one of the classrooms at the same time as the KS1 and KS2 discos. This means you don't even have to go home when you have dropped off your child! Free Tea and coffee will be available.

A letter has already gone out with details. Please reply so we can check numbers attending. Some of the topics that will be included are:

- How to find out if someone is spying on your Facebook account
- What personal information of yours could be easily available to others on the internet
- Advice on how to support your child when they are using the internet

This week's thunk....

This week's 'thunk' is on a Comic Relief theme.

Is a joke a joke if no-one laughs? When is a joke not a joke?

Maybe you've got a joke of your own you'd like to share too.

Please have a discussion with your child. If your child wishes to write a response or send a message on ClassDojo it will help to start a conversation in class.
