- ◆ Disco – Fri 19th July
- ◆ Leavers Assembly – Tues 23rd July
- ◆ Term Ends – Tues 23rd July

Lost Property

We currently have a lot of lost property outside the Reception Classroom and by the lift. Anything that has not been claimed by Friday 19th July will be sorted for our second hand clothes rail or recycled. Having the children's name clearly on their belongings really helps us to reduce the amount of lost property in school.

Sports Day - Friday 5th July from 1:30pm

Weather permitting; next Friday is our Sports Day. As in previous years, West Exe School have kindly agreed to let us use their facilities. Children can come to school in their PE kits and please make sure they have their sun hats and drinks bottles. It will be possible to collect the children from West Exe but if not, the children will come back to school to be released as normal. We aim to get the school to West Exe at 1:30pm to start the sporting activities soon after. Look out for more details next week.

School Gateway

We now have nearly 70% of the school signed up for School Comms – which is fantastic. In September menu choices and school dinners will need to be done through this app. It is already possible to access letters and pay for trips through this service. If you need any help or support then please come to the school office who will be happy to help.

Year 1

As part of their literacy the Year 1 children have been reading a book called 'Stuck'. They made their own kites just like the boy in the story!

Photo Competition

The School Council have organised a Photograph Competition for the children to take part in. The theme is 'Wildlife' and entries need to be with Miss Yeo by the 15th July. The pictures can either be printed or e-mailed to Cyeo@st-thomas.devon.sch.uk. Please make sure that it is easy to identify the child's name and year group – have fun and good luck!

Air Fix Club

The children are working carefully on their models at Air Fix club on a Monday after school. The models are coming on and we look forward to seeing the final results in a few weeks time.

Hot Weather

A little later than usual but it looks like summer may be here. During the hotter weather it is important that children have sun hats and water bottles in school. We always encourage the children to drink plenty of water and they have access to their water bottles all through the day. Children shouldn't share sun block and they can get into a mess with sun cream. If possible the children could have long lasting sun cream applied before they come to school. If this is not possible the sun screen sticks are best.
