- ◆ 18/12/20 - Break the rules day
- ◆ 18/12/20 - Last day of term
- ◆ 5/1/2021 - Term starts

School Tour

Before half term I shared that we were putting together a tour of the school because this year we are unable to show perspective parents around. I always feel proud of the children and the school when I get the opportunity to talk about what we do. The tour really captures the school in action and I would like to thank Underhill's Estate Agent for kindly putting this together for us. If there are no technical hitches the tour will be on our website later today or by Monday. Existing parents will also enjoy this (especially after the first minute) as you have also not been able to come into school for a while. It is a privilege to work in a happy and vibrant school which has certainly been captured in the tour!

Year 4

This term Year 4 have been learning about the Ancient Egyptians. There has been some amazing home learning about mummification. The children have been really creative in the way that they have presented their learning. Well done Year 4.

Christmas Dinner

I am pleased to say that there will be a Christmas dinner this year. It will be on **Thursday 17th December** but it must be ordered on the School Gateway app by **Friday 12th December**. It would be helpful to order as soon as possible so the kitchen knows how many people they are catering for. Thank you.

Reception

It is amazing to think that our Reception children have nearly completed their first term in school. The children have settled in to school life and are all doing amazingly well. They are always so excited to share their work which is great to see. Over the past couple of weeks the topic in Reception has been around the story of the Rainbow fish. They have done some fantastic work! In the story the Rainbow fish learns to share and this has also been a focus in the classroom. Well done Reception!

PTA Christmas Raffle

Look out for a letter coming home today from the PTA about how to order your raffle tickets this year. The draw will be held on the 11th December and there are some amazing prizes to be won:-

- Echo Dot
- 32gb Amazon Fire Tablet
- Fabulous Hamper Basket
- Christmas Sweet Bouquets
- Bottle of Gin
- And much more....

Any further donations of prizes for the raffle will be greatly received by the PTA.
