- ♦ 19/4/21 - Summer Term begins
- ♦ 3/5/21 - May Bank Holiday

## Thursday 1<sup>st</sup> April is the last day of term!

### Easter Holiday

Thursday 1<sup>st</sup> April is the last day of term and we will look forward to welcoming the children back to school on Monday 19<sup>th</sup> April. It has definitely been a challenging term with the children having to adapt to several different styles of learning. It has been fantastic to see the whole school community pulling together and working so hard to keep things going. I hope that everyone will be able to get a well-deserved rest at some point over the Easter period.

### Covid 19

Thank you to everyone for following the guidance and helping to keep our school community safe and healthy. People have taken their responsibilities seriously and if there has been any doubt about an illness they have sought advice or booked a test before sending children in to school. As it stands today the guidance for schools is largely unchanged and so the school will open with the same systems in place after Easter. I am hoping that has restrictions ease nationally so this will be reflected in the guidance for school. I will keep you up to date as and when things are changed in school. For the first week of the Easter holidays should your child test positive for Covid 19 please could you message me on Class Dojo as soon as possible as I will need to work with Track and Trace. The key symptoms remain unchanged and are either; high temperature, continuous cough or a loss of taste (or smell). By staying vigilant I am really hoping that we can get through this next phase of the virus without having to send groups of children home.

### Red Nose Day!

I am pleased to announce that our total for Comic Relief has crept up a little from what I reported last week. The total raised is now £157 - well done everyone!

### Parent Evenings

Next week it is parent evenings and as we still need to keep visitors to a minimum in school teacher will be phoning. Please book your appointment by following this link: <https://stthomasprimaryschool.schoolcloud.co.uk/> For security reasons the details you enter to access the booking pages must match exactly what we hold on file. If you are unable to access the site this is likely to be the reason. Please contact the school office if you are having difficulties. Please make sure the school has your current phone number.

### Around School

The photos show Year 6 working on partner balances in their gymnastics and Year 1 with their finished vehicles having learnt about wheels and axels.

Happy Easter!

Children return to school on Monday 19<sup>th</sup> April.
