World Book Day!

World Book Day is on **Thursday 3rd March** this year. We shall be celebrating it with activities based on the story book Leaf. To help with the theme it would be great if the children could come **dressed as an animal**.

Next week is half term!

Holiday Camp

It is great news that Premier Sports are able to run a holiday camp at St Thomas on Thursday 24th and Friday 25th February. The take up has been so good that more spaces have been opened up. If you would like to book a place please go to: www.premier-education.com/holiday-camps

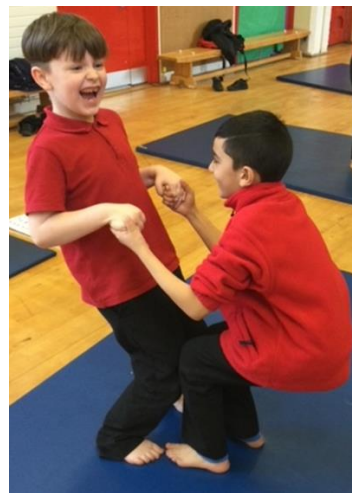

For more information please see the leaflet in the school story on Dojo or visit the website.

Birthdays

I know that when it is someone's birthday people like to bring in a treat for the rest of the class. This should **not be an expectation** and it should only be something **small**. During these times with Covid we have allowed a small cake, chocolate or sweet that is in a wrapper. If you are going to send in a treat for the class it must also **not contain NUTS**. We have a number of children who are allergic and could have a severe reaction. Thank you for your help with this.

Year 5

Year 5 had a fantastic time a Clip and Climb last week. Not only is this great physical activity it helps children with learning skills such as problem solving and perseverance. It was really noticeable how good the children were at team work and encouraging one another. Well done Year 5!

Theatre Alibi

It was fantastic to welcome Theatre Alibi into school on Monday. They worked with our Key Stage 2 classes. The play was about determination and achieving our dreams which fits really well with our Jigsaw theme this half term of Dreams and Goals. A huge thank you to FOSS for funding this opportunity.

Well done to our netball team for coming 2nd in the league against other local schools!
