## Summer is here!

As we fly through the year I can't believe it's summer again. The children have really settled in well and there are lots of exciting things on the horizon - not least our 150<sup>th</sup> birthday party on Friday 8<sup>th</sup> July - you are all invited!

## Half Term Holiday Club

Here are the links and details for three days of clubs over the May half term.

Monday - Gymnastics 9am - 3pm

## Around the school

We're excited to have more visitors in school again - in Year 2 we had a visit from a Bus driver! In Year 4 they've been studying teeth and the digestion system, in Year 5 they've been exploring thermal conductors and as a bit of light relief in Year 2 they filled up their marbles in the jar and wore pyjamas and brought in a cuddly toy - just the weather for it!

## Bikes & Scooters

Some of you may have noticed our smart new gate! We will be leaving the old gates open from next week to help access so any bikes and scooters will need to go into the bike shed opposite the Year 6 classroom - thanks.

## Mr Stone - update

I'm seeing Mr Stone today as he continues his recovery. I will pass on all your best wishes and I know he's hopefully looking forward to returning after half term.

## Lost property

We seem to have built-up quite a collection of lost property. We've gone through the piles and returned all with names in (thank you so much for naming your child's property - it really helps). We will be putting out lost property after school each day next week - please take some - it would be very helpful!
