Did you, or someone you know come here?

We're so excited about the upcoming birthday celebration on Friday 8th July. There's going to be so much happening, with music, food, quizzes, cake (obviously) and we'd love you all to come! Very soon we will be introducing a special website where we are going to record any memories people have of coming to the school. If you, or a family, neighbor, colleague, friend came here then could you let them know about the site (as soon as it's ready) - thank you.

Dates

- ◆ Year 1 SATS week
23/5/22- 25/5/22
- ◆ Last day of this
half term 27/5/22
- ◆ Half term
30/5/22 - 6/6/22
- ◆ Back to school
Tuesday 7th June
- ◆ 8/7/21 Summer
Fayre and 150th
Birthday party

Around the school

Year 6 have worked so hard this week during their SATs tests. They went to the park in their leaver's hoodies, a recent tradition! Today our reception kept the school protected with their super hero powers!

Car Parking

We are proud of being part of the St Thomas Community for 150 years, and part of that is being a considerate neighbour. Please can we make sure we are not blocking the drives of our local residents - thanks!

Interviews next week

We are excited to be interviewing on Monday 16th and Thursday 19th next week. There has been lots of interest from all over the country and the children will be taught or talked to by lots of interesting people who want to work at St Thomas.

Could you help?

Underhills Estate Agents are making up some boards to promote our St Thomas memories website. If you could help by letting them come round and put a **board up in front of your house** please get in touch.

Half Term Holiday Club

A reminder that there are three days of clubs over the May half term.

Monday - Gymnastics 9am - 3pm

<https://family.premier-education.com/add-course/764466>

Tuesday - Multi Sport 9am - 3pm

<https://family.premier-education.com/add-course/764470>

Wednesday - Football Camp 9am - 3pm

Year 4 residential - Pixies Holt

Last Friday Year 4 children returned from their 3 nights away - tired but happy. From what I saw on class Dojo the whole week was a triumph. Every child met and exceeded their goals, challenging themselves in every activity: from archery, to 'weaseling' to new food and bed making - they returned not quite the same as when they left (but in a good way!)
