- ◆ KS2 production 6.30pm start 18 & 19/7/22
- ◆ 22/7/21 last day of term

School Safety Zone

Summer's here!

Well, with the cold wind whistling through the trees and rain clouds in the sky we can truly say our English summer has arrived!

Regardless of inclement weather, our FOSS summer fayre and the 150th celebration will go ahead next Friday 8th July. The **Fayre starts from 3.15pm** with stalls, events and an amazing raffle! At 5pm the raffle will be announced and the BBQ will open.

At 5.45 pm the bar will open, but you are also free to bring your own food/refreshments and make an afternoon/early evening of it. The theme is 'Festival', so bring your own chairs/cups etc. the line-up and events will ensure a great evening for all the family!

Our New Facebook Page

<https://www.facebook.com/stthomasprimaryschool>

If you are part of the online Facebook Community then come and like our page! It isn't replacing anything we do already, but we set it up to share all the good things that we do in the wider local community and beyond!

Around the school

We've been welcoming new children, and parents, into reception this week, but also getting our Year 6 children ready for the KS2 production: **Super Stan**. I can't wait! Reception children have finished their dinosaur topic and next week it's... pirates - shiver my timbers! Year 3 and 4 have been learning how to print, lots of children's work will be on display during the open afternoon.

The whole school worked this week with local artist Sophia Clyst: <http://www.sophiaclyst.co.uk/production/purl/>

She will be at our 150th celebration so you could be a part of the piece which will be displayed in St Thomas' Church grounds.

Think child!

We have had concerns raised recently of cars going over the 20mph speed limit around the local roads. Please consider your speed and the safety of others when dropping off and picking up - thank you!
