## Open for business

A long standing at St Thomas Primary has been opening the school up for parents to look around and share their children's learning in the summer term - it was great to see so many of you in school.

## What a night!

Glorious weather, quality affordable food and drink, special events, great music, birthday cake... everything a 150<sup>th</sup> birthday celebration needs! It was so lovely to see Justin unveiling the mosaic, he said he had no words to describe how much he enjoyed seeing everyone.

## Academic excellence

Every year the government ask schools to test pupils in Year 6 in Reading, Spelling and Grammar (SPAG) and Maths. This year we were also moderated by external moderators for our writing.

We did better compared to the national average in EVERY area. A huge thank you to the children, and YOU, for all your hard work during lock down: juggling home/life/school work and so much more. It really paid off. the whole school are so proud of what children achieved.

I'm Emily Woolls and I have been a teacher in a school in Bristol for five Years and a SENCO for two years. I love to travel, watch live music and spend time with friends. I used to play the ukulele and drums but I haven't for a very long time. I also love to scuba dive but only when in warmer countries. I have two ginger cats called Ziggy and Charlie.

## New teachers for September

I'm Kathryn Morgan. I grew up in Philadelphia, USA and moved to London in 2005. I started teaching in 2011 and now live in Exeter with my husband, daughter (8) and son (2). We can often be found wandering around the quay, visiting various playgrounds across the city or at the beach! I'm really excited to be joining your school community and look forward to getting to know all of you.

## Sports day fun!

It was great to have families back and cheering children on at our Sports day - thank you to West Exe for allowing us the use of their facilities and the help

## Limited edition uniform coming soon!

Before you buy any new uniform for next year you might just wait until our new limited edition uniform is released. It will feature our 150<sup>th</sup> logo. It will run alongside our current uniform.
