Our OFSTED visit

Last Wednesday and Thursday the school had an OFSTED inspection. The team of inspectors looked at all aspects of the school, from safeguarding, governance, SEND and teaching and learning (and much more!). As parents, you know how much of a family feel we have at St Thomas, and that really came across to the inspectors. I would like to thank all you who gave feedback, either through the website, text, emails and letters. The inspectors will use parent quotes, as well as quotes from children in the report. It needs to be prepared and audited before publication which will be around the end of this half term, it could be even over the Easter holidays - all very exciting - watch this space...

Meal Time Assistant Role

The role for MTA has now been re-advertised. The closing date is 17/3/23. Paper copies of the application form can be picked up from Mrs.

Bessant in the school office or online at:
<https://www.exeterlearningacademytrust.co.uk/>

School Uniform

We are pleased to announce our long term partners at Thomas Moore will be stocking all of our uniform with the school's 150th logo. They will also have a range of affordable PE kit, both branded and non-branded.

World Book Day

It has been a very busy day! It's all been about swapping and changing who we read to. We've had different teachers reading to different classes, children from different classes reading to each other, bookmark making and much more!
