

JANUARY NEWS

Survey Feedback

Before Christmas, Mr Jenkins shared the link for a survey on our OPAL play in school and we thank you if you took the time to respond to it. The data showed that:

- over 90% of parents were considering, or had already donated, to our OPAL play
- 90% wanted an opportunity to come and partake in OPAL play
- the majority wanted a music area to be the next priority, followed by a workshop zone
- 100% of parents were happy to provide their child with a spare set of clothes in school
- tyres/planks/pallets were the most popular activity, followed by imaginative games

This information has been vital in helping us to plan the next steps of our OPAL provision and we hope to launch our music zone during the Spring term.

Welcome Back

Happy New Year! We hope you had a wonderful Christmas break; it has been wonderful seeing the children back in school over the past week.

This term, we will be trialling a monthly OPAL newsletter (in addition to our school newsletter) in which we will give you updates, share information and ask for your feedback specific to OPAL.

Spare Clothes

Before we are able to progress any further with areas such as water/sand/mud kitchen, we require children to have a permanent spare set of clothes in school. This will be used in case their school clothes become wet/very muddy. Please can you send your child in with both a named bag and set of clothes to live on their peg.
