

MAY NEWS

Can you help?

Thank you so much if you have already made a donation of wellies to our wellie rack storage. It is definitely looking fuller, but please remember to think of us if you, or a friend, has any they would like to donate.

Do you, or someone you know, have access to tyres, scaffolding planks or pallets? Our children regularly enjoy building and making with these but following wear and tear over the year, we really need some more. If you are able to help, please speak to a member of staff.

Remember: Think skip, Think St Thomas!

New to OPAL

This half term, we have received a number of new items into our play shed. Children, of all ages, have loved the new dressing up and we've seen them turn into superheroes, princesses and skeletons.

They have also been thoroughly enjoying the donation of cardboard tubes from a local company. These have been used as robot arms, ball slides, swords and towers.

Lastly, the children have been enjoying new foot holds which they have been using to climb up poles and traverse across walls.

Play Afternoon

Towards the end of the summer term, we will be hosting an OPAL play afternoon where you will get the opportunity to come in and enjoy OPAL play with your children. This will also provide an opportunity for you to ask any questions you might have. Keep your eyes peeled for the date, coming out soon!
